

PHYSIOTHERAPY - CONTINENCE CLINIC

Private Pelvic Floor Physiotherapists

The below list has been compiled from bcphysio.org utilizing the “Find a Physio” application and verifying with therapists that they perform INTERNAL pelvic floor examinations. As practitioners continue to expand their skillset and take courses, this list is subject to change. *Please contact each clinic to verify that the therapist is trained to assist with your specific condition.*

Please note: to access private physiotherapy services, **there is a fee required**. These clinics have various rates and may offer direct billing to third-party insurers, please contact the clinic for further details. To seek private physiotherapy, a physician referral is not required.

For further details, please visit bcphysio.org. This list has been updated as of November 2019.
